

Product Information and Traditional & Alternative Uses

Myrrh is known as a successful fighter of infection. It stimulates the immune system while simultaneously killing microbes. Due to the minuscule size of the myrrh molecules, it's been studied as a useful aid for sinusitis and more elusive ailments such as laryngitis, gingivitis, and mouth ulcers. It is an effective defense against skin defects such as wrinkles, irritations, boils and cold sores, even when diluted.

| ① ANTI-BACTERIAL | ⑤ ARTHRITIC PAIN | ⑨ INCREASE MENSTRUAL FLOW |
| ② ANTI-FUNGAL | ⑥ IMMUNOSTIMULANT | ⑩ CHAPPED LIPS |
| ③ CHAPPED & CRACKED SKIN | ⑦ SYPHILIS | |
| ④ THYROID SUPPORT | ⑧ BEDSORES | |

PRIMARY ACTION - THYROID SUPPORT, ANTI-BACTERIAL & ANTI-FUNGAL:

THYROID SUPPORT: Apply one drop topically over the thyroid to help with hypothyroidism.

CHAPPED & CRACKED SKIN: Mix with almond oil or camelina oil in a 1:1 ratio and apply directed to affected skin area.

BEDSORE/ CHAPPED & CRACKED SKIN: Make a healing salve. Take two Tbsp. of coconut oil, and two Tbsp. of beeswax pastilles melt over low heat just until it is liquefied. Remove from heat and allow to cool for 3-4 minutes. One at a time add two drops each of the following Aeroma essential oils tea tree, helichrysum, lavender, frankincense, myrrh. Pour mixture into a small jar. Apply as needed to the location of complaint.
