

Product Information and Traditional & Alternative Uses

This undiluted, wild-crafted essential oil is created from the peel of the Bergamot citrus fruit. In traditional Chinese medicine, it has a long history of being used to help the flow of vital energy primarily for the proper functioning of the digestive system. When used as a flavoring agent, it offers many digestive benefits and is used with black tea commonly called Earl Grey tea.

- 1 KILLS INTESTINAL WORMS
- 2 DIGESTIVE AID
- 3 STOMACH SPASMS
- 4 APPETITE STIMULANT
- 5 FOOD ADDITIVE
- 6 BERGAMOT MARMALADE
- 7 MAY LOWER CHOLESTEROL

Primary Use - Digestive & Vermifuge:

KILLS INTESTINAL WORMS: Take one drop orally. Take up to 3 times daily. For enhanced benefit use with Aeroma Bergamot and Loyol Tickaboo. Apply 2-3 drops of Aeroma bergamot to the abdomen area 2-3 times throughout the day (caution bergamot is photosensitive and may cause a burn when exposed skin with bergamot is exposed to direct sunlight). Follow Tickaboo digestive cleanse instructions.

DIGESTIVE AID: Use one drop or the toothpick method to your food when cooking, or add one drop to 8oz of water and drink during your meal.

LOWER CHOLESTEROL: Dilute one drop with one drop of carrier oil. Take up to 3 times daily. Consult your primary care provider before making any changes to your current dietary and drug regimen.
