

## Product Information and Traditional & Alternative Uses

Germs, bacteria, viruses, molds, and fungus have all met their match in our Oregano essential oil. Pure oregano essential oil is rather “hot” and must be used with a carrier oil to benefit the immune system safely. Oregano is adept at attacking and ushering toxins out of the body without causing a healing crisis.

| ① FLAVORING AGENT | ⑤ EASING INFECTIONS |
| ② FOOD POISONING  | ⑥ PARASITES         |
| ③ ANTIOXIDANT     |                     |
| ④ DIGESTIVE AID   |                     |

### Primary Use - Immunostimulant:

**ENHANCE MOOD:** Add to diffuser and diffuse throughout the day.

**EASING INFECTION/PARASITES:** Dilute one drop Loyol oregano with one drop carrier oil, and place it under your tongue. Hold it there for a few minutes, and then rinse it out. Repeat this at least four times a day.

**DIGESTIVE AID:** 1 drops with 3 drops carrier by mouth as needed two times daily or as needed.
