

## Product Information and Traditional & Alternative Uses

Tickaboo Loyol essential oil supplement contains coriander, clove bud, fennel, peppermint, eucalyptus (r), oregano, wormwood, and black Cumin essential oils. The natural constituents in this exclusive blend have been individually researched for their effectiveness in killing many different internal and external parasites, primarily those found throughout the digestive system.

- 1 PARASITE WORMS
- 2 STIMULATE SWEATING
- 3 DIGESTIVE DISORDERS
- 4 INSECT BITES
- 5 INSECTICIDE

### Primary Action - Parasite:

**PARASITE CLEANSE:** Use 3-4 drops in a capsule during each meal for a week. Take one full week off. Then repeat. Do this three times over the course of six weeks.

**DIGESTIVE AID:** Dilute two drops with six drops of a carrier oil . Take 1-2 drop of the dilution directly under the tongue up to 2 times daily.
