

Product Information and Traditional & Alternative Uses

Protection is the perfect solution for those who love the effects of our Spice of Life but want to reap the benefits using aromatically. We've changed the ratio of Cinnamon Leaf and Cinnamon Bark to provide you with the heavy hitting antimicrobial, antiviral, and antifungal giant that our Spice of Life has provided for years without irritating your eyes. We have also added a slight sweetness to the aroma to make it even more pleasant.

- 1 IMMUNE STIMULANT
- 2 PURIFY AIR
- 3 REDUCE NEGATIVE IONS
- 4 AIR FRESHENER
- 5 CLEANING
- 6 PREVENT COLD AND FLU

Primary Use - Stimulating:

IMMUNE STIMULATE: Apply 1-2 drops to the bottom of your feet cleaning: Add a few drops to your dishwasher with white vinegar and run an empty cycle. Add 2-3 drops to mop water. Add 4-5 drops to baking soda Apply to the musty carpet and let sit overnight then vacuum.

AIR REFRESHER/PURIFY AIR: Add to your diffuser and let diffuse throughout the day to refresh your home while adding a layer of protection from the cold and flu season. Apply 1-2 drops to the trash can or laundry basket. Add 1-2 drops to the cardboard of your tissue paper for a quick air freshener.
