## Primary Action - Infections & Skin Care:

**INFECTIONS/ALLERGIES/COUGH/FLU:** Add five drops to Aeroma plus or 10-15 drops to Aeroma Pure diffuser and diffuse throughout the day. Apply 1-2 drops directly to the affected area.

**COLIC:** Dilute with a carrier oil 2:1 ratio and massage in a clockwise motion on the abdomen

**SKIN CARE:** Make an invigorating moisturizer. 1/2 cup grapeseed oil (conveyance), 1/2 cup sweet almond oil, two tablespoons beeswax, one tablespoon vitamin E oil. 5 drops each of the following Aeroma essential oils black cumin, sacred frankincense, lavender, bergamot. Melt beeswax in a double boiler, once melted add grapeseed, sweet almond, and vitamin E oil. Let cool 3 minutes then add essential oils. Allow cooling for at least 2 hours.
