

Product Information and Traditional & Alternative Uses

When mucus builds up in the body, this premium Aeroma oil has proven to eliminate congestion throughout, thus making it ideal for other respiratory issues including asthma. Urinary tract infections and other chronic bacterial problems will benefit from its use as well. Its anti-septic and anti-fungal properties make it useful for taking on dandruff and psoriasis as well.

Primary Action - Relaxing & Detox:

HAIR LOSS: Add 15-20 drops to your shampoo, or massage 2-3 drops directly into the scalp. Massage for 2-3 minutes and allow to sit for 30 minutes before rinsing.

STRESS: Apply 1-2 drops to the back of the neck and temples. Practice relaxation techniques such as deep breathing, positive affirmations, meditation, etc.

REDUCE NEGATIVE IONS: Use in a difuse throughout the day. Add a few drops to vacuum cleaner's filter.

CALMING/RELAXATION: Apply 1-2 drops to the back of the neck and temples. Practice relaxations techniques such as deep breathing, positive affirmations, meditation, etc.
