| <b>4 STOMACH IRRITABILITY</b> |                                   |

### Primary Action - Digestive & Disinfectant:

**REDUCE AIRBORNE BACTERIA/LOSS OF APPETITE/IMMUNOSTIMULANT:** Add five drops to Aeroma Plus diffuser or 10-15 drops to Aeroma Pure diffuser and diffuse throughout the day.

**STOMACH IRRITABILITY:** Apply 1-3 drops topically in a clockwise motion following the large intestine, and directly over the stomach.

**INFLAMMATION:** Apply 2-3 drops directly to the area that is inflamed.
